# The BrickMagic Car Race & Cool Car Contest!

The **BrickMagic Car Race** lets you demonstrate your skill driving your own LEGO "Racers Turbo Track RC" over an obstacle course. Be first out of 64 entries, and win the Grand Prize package! It's open to anyone age 16 and under.

The **Cool Car Contest** is judged on the most creative use of LEGO bricks. (No stock LEGO kits allowed; your entry **MUST** be a custom creation.) Make a car that is uniquely yours—as long as it has wheels and rolls, and is your own design, it's eligible. There will be 25 entries in each of two groups: Ages 10 and under, and Ages 11-16. All entries will be kept on display throughout the Brick-Magic Festival, and the top three in each category win a kaboodle of prizes!
